

CHÂTEAU D'ARVOUET

Our last born is the Château d'Arvouet, it is the result of our known-how. It combines the elegance of the satellites with the wood raised knowledge. A great classic which we wanted gourmet, fruity and soft to recap with a real modernity.

TASTING NOTES

The dark purple color is a fine introduction to the fruity and spicy nose at once, the ample and generous mouth allows to enjoy a beautiful composition of ripe fruit notes and soft tannins, balance and power in the final.

Ideal on a side of beef, a lamb, farmhouse cheeses.
