

## VIEUX CHÂTEAU BAYARD L'INTÉGRALE

Its deep purple colour is a good start to a fruity and spicy nose. Ample in mouth and generous tasting, set us in the path to discover a beautiful composition of ripe fruits and melted tannins notes, a balance and powerful finish.

Ideal to eat with red meat, lamb and farmhouse cheese

### TASTING NOTES

An amazing ruby red colour touched by violin highlights. Its perfume let us discover notes of red and black berries and some cocoa prune impressions. Wonderfully structured, this wine presents the distinctive great balance of the Saint-Émilion' satellites wines.

An elegant tannin melted with an aromatic finesse, that confess us a great storage potential.

**APPELLATION**  
Montagne Saint-Émilion

**GRAPE VARIETAL**  
100% Merlot

**PLANTING DENSITY**  
5 000 feet / hectares

**PRODUCTION**  
About 9 000 bottles
