

## VIEUX CHÂTEAU BAYARD

### RÉSERVE PERSONNELLE

Our personal Réserve is born in 2009, it exists only in some of wonderful vintages. It is originated in one of our better plot and raised in wood as a right bank grand vintage. This wine is addressed to wine's amateurs typed dense and fleshy and to the ones who has the patient to leave the wine grow old.

#### TASTING NOTES

Its deep purple colour let us figure out a beautiful concentration. Just in the first perfume we can feel the silky mix of black fruit and spicy elements. Generous boarding, the structure reveals the presence of tannings already melted. The final is extended along some compote and vanilla touches. Ideal for red meat, lamb or farmhouse cheese.
